<p>WP 16/17 > Excellent Science</p>	<p>Marie Skłodowska-Curie Actions</p>
<p>Main features</p>	<ul style="list-style-type: none"> • Open to all domains of research and innovation addressed under the Treaty on the Functioning of the European Union, from basic research up to market take-up and innovation services. • Open to researchers and innovation staff at all stages of their career, irrespective of age. • Open to universities, research institutions, research infrastructures, businesses, and other socio-economic actors, including civil society organisations, from all countries, including third countries. • Mobility is a key requirement.
<p>Types of grants</p>	<p>MSCA-ITN (Innovative Training Networks), MSCA-IF (Individual Fellowships), MSCA-RISE (Research and Innovation Staff Exchange), MSCA-COFUND (Co-funding of regional, national and international programmes)</p>
	<p>MSCA-ITN: Innovative Training Networks</p> <p>ITN supports competitively selected joint research training and/or doctoral programmes, implemented by partnerships of universities, research institutions, research infrastructures, businesses, SMEs, and other socio-economic actors from different countries across Europe and beyond. Partnerships take the form of collaborative European Training Networks (ETN), European Industrial Doctorates</p>

<p>WP 16/17 > Excellent Science</p>	<p>Marie Skłodowska-Curie Actions</p>
	<p>(EID) or European Joint Doctorates (EJD).</p> <p>MSCA-IF: Individual Fellowships</p> <p>Support is foreseen for individual, trans-national fellowships awarded to the best or most promising researchers of any nationality, for employment in EU Member States or Associated Countries. It is based on an application made jointly by the researcher and the beneficiary in the academic or non-academic sectors. Fellowships take form of European Fellowships or Global Fellowships. European Fellowships are held in EU Member States or Associated Countries and are open to researchers either coming to Europe from any country in the world or moving within Europe.</p> <p>MSCA-RISE: Research and Innovation Staff Exchange</p> <p>RISE involves organisations from the academic and non-academic sectors (in particular SMEs), based in Europe (EU Member States and Associated Countries) and outside Europe (third countries). Support is provided for the development of partnerships in the form of a joint research and innovation project. Exchanges can be for both early-stage and experienced researchers' levels and can also include administrative, managerial and technical staff directly involved in the research and innovation activities of the proposal.</p> <p>MSCA-COFUND: Co-funding of regional, national and international programmes</p> <p>The COFUND scheme aims to stimulate regional, national or international programmes to foster excellence in researchers' training, mobility and career development, spreading the best practices of Marie Skłodowska-Curie actions. This will be achieved by co-funding new or existing regional, national, and international programmes to open up to, and provide for, international, intersectoral and interdisciplinary research training, as well as transnational and cross-sectoral mobility of researchers at all stages of their career. COFUND takes the form of: A) Doctoral programmes & B) Fellowship programmes.</p> <p>MSCA-NIGHT-2016: European Researchers' Night</p> <p>The European Researchers' Night takes place yearly, typically on the last Friday of the month of September, and is the occasion for a Europe-wide public and media event for the promotion of research careers, in particular towards young people and their families. Supported events can start early Friday afternoon and last until early morning the following day. Participants can be any legal entity in the EU Member</p>

<p>WP 16/17 > Excellent Science</p>	<p>Marie Skłodowska-Curie Actions</p>
	<p>States and Associated Countries, and/or if relevant, constitute a partnership at regional, national or international level.</p>
<p>Main evaluation panels</p>	<p>Chemistry (CHE), Social Sciences and Humanities (SOC), Economic Sciences (ECO), Information Science and Engineering (ENG), Environment and Geosciences (ENV), Life Sciences (LIF), Mathematics (MAT), Physics (PHY).</p>
